

**For Recreational Flyers operating under the exception for limited recreational operations of unmanned aircraft (Title 49 of the United States Code (49 U.S.C.) § 44809), this document is evidence that the holder has passed the aeronautical knowledge and safety test as required by 49 U.S.C. § 44809(a)(7).**

- Register your drone if it weighs more than 0.55 pounds
- Fly only for recreational purposes
- Operate in accordance with or within a Community-Based Organization's (CBO's) safety guidelines
- Always fly within visual line of sight
- Do not interfere and give way to any manned aircraft
- Obtain authorization before flying in controlled airspace
- Do not fly higher than 400 feet in uncontrolled airspace

**Recreational flyers must make this certificate available to Federal Aviation Administration (FAA) or Law Enforcement officials upon request.**
